**Product no.:** IN-921102.R1

In 2001, Kunsthhaus ARTES published the lithographic portfolio of "Mother Courage and Her Children" by Bernhard Heisig. Due to a fortunate circumstance, we are pleased to be able to offer you an exclusive copy of the 1964 original, which the painter and graphic artist executed in pen and ink.

He used the literary material of the play "Mother Courage and Her Children", which Bertolt Brecht wrote in 1938/39 in exile in Sweden - the dramatic story of a sutler who loses her children in the Thirty Years' War.

Heisig was dismissed as professor and rector of the Academy of Visual Arts in Leipzig by the Association of Visual Artists of the GDR in the year he produced these drawings. The unique piece on paper represents a rare testimony of the time, which is a sought-after collector's item not only for Heisig enthusiasts.

Pen-and-ink drawing on paper. Signed. Motif size/sheet size 23 x 19 cm. Size in frame 50 x 36.5 cm as shown.
