

**Jim Dine:
Picture "The Hand-Coloured Viennese Hearts IV" (1990)**

€9,500.00

Product no.: IN-912687.R1

Today, Jim Dine is mainly appreciated for his paintings and graphic art and is considered to be part of Pop Art. However, he occupies a separate place in art history due to his poetic handwriting and his very personal trove of motifs, in which variations of hearts repeatedly appear. Dine's spontaneous painterly gesture shows his closeness to Abstract Expressionism but also to Dadaism and Surrealism.

Original screenprint with soft ground etching and aquatint, hand-coloured, 1990. Edition: 40 copies on paper, numbered and hand-signed. Size in frame 129 x 108.5 cm as shown.
