

Tom Wesselmann: Picture "Still Life With Blowing Curtain (Red)" (1998)

Product no.: IN-937866.R1

Alongside the nude, the still life was another important subject in Wesselmann's work. The work "Still Life With Blowing Curtain" dates from 1998 and thus from his late work. Although at this time, he had already been increasingly occupied with purely abstract compositions, here he once again took up a representational motif.

With this still life, he resorted to almost classical pictorial objects such as flowers or a bowl of fruit. But here, too, his typical imagery is unmistakable, with stylised forms, clearly contoured surfaces and intensely luminous colours.

Original colour serigraph, 1998. 100 copies (offered here: DP I/VIII outside the numbered edition), signed by hand. Motif size/sheet size 68 x 81.5 cm. Size in frame 72 x 86 cm as shown.
