This triptych titled "Edition Original I" by Yves Klein was created around 1964. It is part of the portfolio of the same name, in which artists such as Arman, Christo, Lucio Fontana, Heinz Mack, Otto Piene and Günther Uecker also participated. The painter worked with his characteristic blue pigment throughout his artistic career. Only in his late work did the colour palette become broader. The gold was a product of his artist's book and the performance "Zone de Sensibilité Picturale Immatérielle" (1959-62).

Gold leaf and pigment in transparent plastic foil on cardboard, 1964. Edition: 130 copies, illegibly numbered. Published by Hans Möller, Hofhaus Presse (Düsseldorf). Size in frame 38 x 54 cm as shown.
