

Erich Heckel: Picture "Flowers at the Window" (1957) (Unique piece)

Product no.: IN-940337.R1

The subject of the flower still life runs through the entire oeuvre of the painter and graphic artist. The delicate watercolour "Flowers at the Window" shows an arrangement of dahlias and tulips in a vase; the window in the background provides a view of a garden. This is most probably at Erich Heckel's house in Hemmenhofen on Lake Constance, where he moved with his family in 1944.

Watercolour on paper, 1957, signed and dated. Motif size/sheet size 63 x 48 cm. Size in frame 83 x 67 cm as shown.
