

Lutz Friedel: Picture "Eagle (Diptych)" (2019/2020) (Unique piece)

Product no.: IN-928296.00

The present large-format diptych from 2020 is dedicated to the subject of the eagle. Arranged symmetrically to each other and painted in a rough, expressive style, the birds of prey appear to be flying away powerfully. The majestic animals can be interpreted as a symbol of the division of Germany - with the associated fates of East German and West German history - against the background of Lutz Friedel's biography.

Oil on canvas, 2019/2020. Signed and dated on the back. Unframed. Size stretched on stretcher frame 200 x 100 cm as well as 200 x 120 cm.
