

Amos Plaut:
Object "Pill for Art (Ceramic)" (2019), ceramic, exclusive edition for ARTES

€30.00

Product no.: IN-902649

The chrome-plated bronze sculpture "Pill for Art" by the Israeli artist Amos Plaut is a special discovery. It brings the power of art radically to the point. Art can calm or stimulate the senses, relieve pain, expand consciousness or provide security. Get an art pill, we'll write you a prescription! But be aware of the risks and side effects: Art can greatly increase the desire for even more art.

The "Pill for Art" in ceramic is an exclusive edition for Kunsthaus ARTES.

Sculpture in ceramic, 2019. Signature on the back. Diameter: 8.5 cm.
