Product no.: IN-932376.R1

The influence of Classical Modernism always remained palpable in the work of Knoebel, who is now considered an important representative of German Minimal Art. The "Portrait Penelope" is a radical work that is both a non-representational composition and an abstracted face.

The humour that shines through in this work interacts with the simple beauty of the arrangement of colour and form. Thus, this large-format print is a lively, enlightening addition that knows how to fit stylistically into a wide variety of interiors. The small edition of only 25 copies further underlines the collectability of this work.

Original colour silkscreen, 1992. 25 copies, numbered and signed on verso. Motif size/sheet size 200 x 140 cm. Size in frame 205 x 145 cm as shown.
