

Markus Lüpertz: Sculpture "Dionysus" (2020), bronze

Product no.: IN-920547

Since the 1990s, Markus Lüpertz's artistic interest has increasingly focused on biblical themes and ancient legends, which he also translates into sculptural form.

The hand-painted bronze sculpture offered here presents the Greek god of wine, ecstasy and fertility: Dionysus. He shows himself in an almost devilish appearance; with a naughty look, he symbolically and challengingly stretches out the grapes towards us, in his other hand he holds a goblet.

Sculpture in bronze, 2020. Edition: 30 copies. Hand-painted. Signed and numbered on the plinth. Height: 55 cm. Width: 19 cm. Depth: 17 cm.
