

Gerhard Richter: Picture "11.2.92" (1992) (Unique piece)

Product no.: IN-937484.R1

Gerhard Richter painted over this photograph in a reduced manner with lacquer paints. The unique piece by the most sought-after contemporary artist is a particularly beautiful collector's item. The artist breaks the illusion of the picture by leaving his mark on the supposedly realistic photograph.

The softness of the slight blurring - a feature that repeatedly appears in Richter's works - is contrasted with the clear boundaries of the applied lacquer paint. One is left uncertain as to whether the traces of paint have been placed casually or deliberately, keeping the interpretation of the motif in a state of limbo.

Lacquer on colour photograph, 1992. Dated and signed on verso. Motif size/sheet size 10 x 15 cm. Size in frame 32.5 x 42 cm as shown.
