

## **Gabriele Münter: Picture "Dahlia Bouquet with Phlox" (1941) (Unique piece)**

**Product no.: IN-908736.R1**

In 1931, Gabriele Münter settled permanently in Murnau, Germany, and from then on devoted herself to floral still lifes and nature studies.

The large-format work "Dahlia Bouquet with Phlox", executed in oil on paper, bears witness to this intensive artistic engagement with the subject of floral still life. An opulent, summery garden bouquet of dahlias, zinnias and sunflowers shines against an uncoloured background.

What a beautiful idea that Gabriele Münter roamed through her garden in Murnau to pick the flowers and then immortalise them in the silence of her studio.

Oil on paper, 1941. Monogrammed and inscribed B.B 69/41. Motif size/sheet size 63 x 49 cm. Size in frame 85.5 x 71 cm as shown.
