

Max Liebermann: Picture "Two Children" (Unique piece)

Product no.: IN-936703.R1

At the beginning of the 20th century, Liebermann created about thirty oil paintings a year, in addition to hundreds of drawings and prints. Here we present one of these rare drawings executed in charcoal: The "Two Children" seem to have been fixed directly by Liebermann while he was making the portrait - thus, the two girls still fascinate us when we look at this study. On the back of the work is another work, the drawing "Three Running Men" - it will probably also have served as preparatory work for a painting.

Charcoal on paper. Signed. Drawing on the back. Motif size/sheet size 40.5 x 33.52 cm. Size in frame 62.5 x 54.5 cm as shown.
