

Marc Chagall: Picture "Couple dans les Mimosas" (1967)

Product no.: IN-937868.R1

The colourful lithograph presented here is part of a series of works by Marc Chagall and Charles Sorlier titled "Nice & Côte d'Azur".

Against a moonlit night sky, a couple hugging each other intimately is surrounded by a sea of flowers like a cocoon; the duo of characters seem to have been transported out of time and space by this floral halo.

The glamorous port city of Nice on the Côte d'Azur played a prominent role in the painter-poet's oeuvre and inspired him to create numerous maritime depictions. Since 1973, Nice has been home to the Musée National Marc Chagall, which houses a comprehensive collection of the artist's prints, drawings and paintings and makes them accessible to the public.
