

Danny Frede: Picture "Serial Analogue Pixel Green" (2022) (Unique piece)

Product no.: IN-948698.R1

In his work "Serial Analogue Pixels", Danny Frede merges his comprehensive understanding of digital image processing with painting. Unyielding grids of serial rectangles, reminiscent of spackled, colour-filled pixels, become almost tangible, emerging from the surface of the canvas, organically reaching out to the viewers.

Acrylic and oil on canvas, 2022, unframed. Size in frame 123 x 123 cm as shown.
