

**Marie Athenstaedt:
Picture "Substance 8" (2018) (Unique piece)**

€7,400.00

Product no.: IN-921783.00

"Substance 8" belongs to a cycle of works in which Athenstaedt varies similar motifs in different colours. In this painting, the artist creates a cloudy, billowing surface that appears very powerful due to the effects of colour and focus. The picture evokes a wide variety of associations, but it remains unclear until the end whether there is a concrete material reference. You can lose yourself in this fascinating picture in a mystical and subjective way, bordering on the psychedelic.

Oil on canvas, 2018. Signed. Unframed. Size stretched on stretcher frame 155 x 230 cm.
