

Emil Nolde: Picture "Girlfriends" (1947) (Unique piece)

Product no.: IN-945979.R1

The present work from 1947, which was labelled "Girlfriends" by the artist himself, bears Nolde's unmistakable signature. The two women depicted appear familiar - the positioning is close and personal.

The intimacy of the friends seems to be interrupted by the viewer, who is directly gazed upon by the protagonists. The colour blossoms on the paper, the strong cadmium red and the light ochre are typical components of Nolde's colour palette.

The contours suggested by the colours were later traced with pencil and accentuated with white or light colours.

Watercolour and pencil on paper, circa 1947, signed and inscribed. The authenticity of the work has been confirmed by Dr Martin Urban of the Nolde Foundation, Seebüll. Motif size 13.6 x 9 cm. Sheet size 16.8 x 11.8 cm. Size in frame 49.5 x 39.5 cm as shown.
