

Doppeldenk: Sculpture "Pablo" (2019), wood

€790.00

Product no.: IN-894174

The artist duo Doppeldenk lives and works in Leipzig. Particularly against the background of the long tradition of woodcut art in Saxony and the Erzgebirge, the sculptures can be read as a reference to the artists' origins.

The cheerful, cheeky figures by the up-and-coming duo Doppeldenk offer a perfect introduction to the collection of contemporary art but also complement any existing collection as a young fresh position.

Wood sculpture, stained and lacquered oak, 2019. Edition: 15 copies, numbered and hand-signed. Height: 48 cm. Width: 40.5 cm. Depth: 27 cm.
