**€2,800.00**

Tobias Kröger's pictures appear purely abstract at first glance, but a second look reveals their roots in portrait painting. Kröger dissolves the classic portrait into detailed, clearly defined forms and thus expands the genre in his own way. Kröger's origins in graffiti painting and street art are also present in his large-format canvases.

Acrylic on canvas, 2018. Signed. Size stretched on stretcher frame 80 x 60 cm.
