Product no.: IN-931842.R1

In 1974, he composed the landscape-format series "Miró Escultor", which translates as "Miró as sculptor", in Joan Miró's unmistakable, unique imagery. This cycle of works consists of seven colour lithographs, each of the motifs representing a different country.

The work offered here represents Great Britain: Miró, in his colourful manner, created a composition that may seem surreal and alien but knows how to captivate the viewer. To achieve this, he playfully combined abstract elements and figurative details in his typical colour palette of red, green, blue and yellow.

Original colour lithograph, 1974. Edition: 100 copies on Guarro. Numbered and signed by hand. Catalogue raisonné Cramer 940. Motif size: 20 x 40 cm. Sheet size: 35 x 52 cm. Size in frame 50.5 x 68 cm as shown.
