

Bernd Zimmer: Picture "In the Mirror. Five Stones" (2012) (Unique piece)

€9,500.00

Product no.: IN-929520.R1

The monumental size of the present work is unusual for a woodcut but is in line with the conventions of this artistic style. The colour application of the printing technique creates a unique effect in this large format. Designed as a multicolour print, it gives the impression of transparency of the surfaces; at times, reflections can also be associated when looking at it.

In terms of motifs, the work is situated between Representationalism and formal art. Curves and circular forms soften the edges of the picture format, while a fragile line work engages in a dynamic dialogue with the serene colour effect. The unique piece thrives on its ambiguity, which is apparent in numerous aspects of the imagery. The woodcut is related to a group of works by the artist created between 2011 and 2014.

Coloured woodcut on white passe-partout board, 2012. Signed. Motif size/sheet size 140 x 100 cm. Size in frame 146 x 106 cm as shown.
