Product no.: IN-912165.R1

With his print graphic "Body," Jonas Burgert presents a work full of mystery and tension. The artist employs the elements of ancient sculptures but, at the same time, isolates his female nude in a timeless pictorial space, thus denying the narrative a clear readability.

Burgert skilfully continues the ambivalence of the work in the distorted posture of the naked female body, which oscillates between erotic sensuality and painful gestures.

This enigmatic nude impresses with its precise artistic elaboration, its narrative potential and its atmospheric density, which inevitably captivates the viewer.
