

Roy Lichtenstein: Picture "Pyramid" (1969) (Unique piece)

Product no.: IN-946421.R1

In the late 1960s, Roy Lichtenstein extensively explored the motif of the pyramid and created various versions of the subject in a wide range of media, such as screenprints, paintings, sculptures and drawings. One of these rare coloured pencil drawings can be exclusively offered to you here. The reduced, almost abstract composition of this unique piece is typical of Lichtenstein's work during this phase in his oeuvre. It seems that in his creative process, he was also influenced by the sobriety and clarity of the American Minimalism movement.

Coloured pencil on paper, 1969, monogrammed. Motif size/sheet size 10.2 x 15.2 cm. Size in frame 26.5 x 30 cm as shown.
