

## **Marc Chagall: Picture "Evening Memory" (1959), golden framed version**

**€450.00**

**Product no.: IN-297263.GR**

The romantic scene shows a dreamy lovers' couple in front of the night sky of the southern French mountain town of Vence. The bouquet and blossom tree shine brightly from the shimmering blue moonlit night, a mythical bird soars from its treetop. "Evening Memory" is one of Chagall's masterpieces at the end of the 1950s, conveying a feeling of security in the enchanting blue and expressing the fairytale poetry between dream and reality.
